

TRADING AGREEMENT

This is a legal offer contract between MoneyRain Corporation, (hereinafter referred to as MRC or Company) and the individual (hereinafter referred to as Client) executing this document.

In consideration of MRC agreeing to carry one or more accounts of Client and providing services to Client in connection with the purchase and sale of foreign exchange contracts, Client agrees as follows:

1. AUTHORIZATION TO TRADE.

MRC will engage in foreign exchange contracts transactions with Client in accordance with Client's electronic or given by telephone instructions. MRC will act as the counter-party to Client in all such transactions.

2. TRADING ACCOUNT

To enforce the agreement Client should open a trading account. The account is to be opened on the strength of a Client's application, which is formally included in structure of electronic acknowledgement on the consent with the terms of the treaty.

A unique trading account number ID is appropriated to Client, which is corresponding to a number of a present trading agreement. Before concluding contracts Client has to deposit a sum of initial payment at the rate not less than a minimal size which is established under own discretion of MRC. MRC reserves the right to change initial payment requirements at any time, on what Client is informed with the means of Company's website www.moneyrain.ru. Client shall provide to and maintain with MRC margin in such amounts and in such forms as MRC, in its sole discretion, may require. MRC retains the right to limit the amount and/or total number of accounts that Client may maintain at MRC. Client's losses are limited to the amount of funds held in the account.

At opening a trading account Client gets a password of access to account management with the help of trading platform MRC. A password is sent to Client to e-mail address, mentioned in a Client's application. The password is used in all cases demanding identification of the Client, both at work with the terminal, and at orders by phone. At change of the password by the client the previous password loses force.

3. DEPOSIT ON TRADING ACCOUNT.

The funds are deposited to Client's trading account not later than the next workday after actual receipt of funds in MRC. The information about the ways of filling up the balance of a trading account is presented at the Company's website www.moneyrain.ru/accountmanage/

4. WITHDRAW FROM TRADING ACCOUNT.

Withdraw from a Client's trading account is conducted on the basis of application on withdrawal of money resources, fulfilled by Client at the Company's website www.moneyrain.ru/accountmanage/#2. Money transfer from a trading account is conducted only to bank accounts, opened in the name of Client, otherwise application is not considered. The amount in the application on withdrawal of money resources shouldn't exceed the amount of free margin, otherwise application is not considered. Direction to withdraw from a Client's trading account is executed not later than the next workday after receipt of the Client's direction in MRC.

5. TRADING PLATFORM.

Trading platform *MoneyRain MetaTrader 4* is placed for Client's disposal for free-of-charge using in perpetuity. Trading platform *MoneyRain MetaTrader 4* is presented at the Company's website. In the process of program version updating Client has to make the updating automatically offered by the terminal. Functioning of trading platform is based on the principle of automatic withdraw of commissions and spreads from a trading account, and also transfer of the profit received as a result of carried out transactions.

6. TERMS OF TRADING.

Terms of trading and rules of order execution are presented at the Company's website www.moneyrain.ru/traderules. Before starting trading Client has to become acquainted with the terms of trading and rules of order execution. MRC retains the right to make changes additionally to the mentioned terms. On what Client is informed with the means of Company's website, attending it on his own.

7. CLAIMS AND ARGUMENTS.

Claims and arguments between Client and MRC are regulated by negotiations. Claims are accepted in written form via E-mail, mail or by fax with the obligatory instruction to mention a Client's login in *MoneyRain MetaTrader 4*. Claims concerning transactions with the obligatory instruction to mention a Client's login should be sent not later than within two workdays from the moment of taking place of the occasion which is the matter of the claim.

8. COMMUNICATIONS.

Information exchange between MRC and Client is carried out by message transfer. Reports, statements, notices and any other communications will be transmitted to Client electronically by posting to Client's online account in *MoneyRain MetaTrader 4* or via e-mail to the e-mail address on Client's application. Client sends reports, statements, and notices via e-mail to the e-mail addresses, indicated at the Company's website, by phone or *on-line*.

All directions concerning transactions are executed with the means of information-trading terminal or by phone with use of the main password of the account.

9. MRC's AND CLIENT's RESPONSIBILITIES.

MRC is responsible for Client's loss through Company's fault due to failure of terms of the treaty. In other cases Client's loss is the result of his activity or inactivity. Client is responsible for information accuracy. Client bears responsibility for making trading decisions concerning operations with the means of trading platform and the results of trading operations on his trading account.

10. RISK ACKNOWLEDGMENT.

Client acknowledges that investments in leveraged foreign exchange transactions involve a high degree of risk. Accepting this agreement Client admits to Risk Disclosure www.moneyrain.ru/tradeac.

11. TERMINATION.

This Agreement shall continue in effect until termination, and may be terminated by Client at any time on conditions that MRC hasn't any unresolved claims to Client. MRC reserves the right to refuse Client to service with trading account closing.

12. RECORDINGS.

Client agrees and acknowledges that all conversations regarding Client's account(s) between Client and MRC personnel may be electronically recorded with or without the use of an automatic tone-warning device. In case of any disputes the specified records can be used as acknowledgement of corresponding negotiations.

13. ACCEPTANCE.

The present agreement is considered to be accepted from the moment of awarding ID-number to Client, who is informed of this fact via e-mail to the e-mail address on Client's application.

14. ADDENDUM AND ALTERATION OF AGREEMENT.

The present agreement is accepted by Client without addendum and alternation. Putting addendum and alternation to the present agreement and terms of the treaty is implemented by MRC unilaterally, on what Client is informed with the means of Company's website.
